Published bi-monthly. Annual Subscription rates: For libraries, University departments, Government laboratories, industrial and other multiple-reader institutions (1980) \$110.00. 2 year subscription (1980/81) \$209.00. Special reduced rates for individuals: In the interests of maximizing the dissemination of the research results published in this important international journal, we have established a two-tier price structure whereby individuals, whose institution takes out a library subscription, may purchase a second or additional subscription for their personal use at a much reduced rate of U.S. \$35.00 per annum. Airmail subscriptions extra. Second-class postage paid at Clearfield, Pennsylvania. Postmaster: Send address changes to Pergamon Press, Fairview Park, Elmsford, NY 10523.

Sponsoring Society: American Concrete Institute. Subscription price for members for one year (Jan. through Dec.): individual, \$20; institutional, \$40. Orders must be submitted to the American Concrete Institute, P. O. Box 19150, Redford Station, Detroit, Michigan 48219. Make checks out to Pergamon Press, Inc., in full amount listing the proper year to enter subscription.

The American Concrete Institute as a body is not responsible for the statements of the authors of papers contained herein.

**MICROFORM SUBSCRIPTIONS AND BACK ISSUES:** Back issues of all previously published volumes are available in the regular editions and on microfilm as well as current subscriptions in microfiche and microfilm. Prices on request from: Pergamon Press and/or its division, Microforms International Marketing Company, Fairview Park, Elmsford, New York 10523, U.S.A. or Headington Hill Hall, Oxford, England.
